

2019 Cub Camp Registration Packet

Please Read Prior To Registering

Cub Scout Day Camp is a parent-supported camp. It models the family participation in our year-round programs. All day camp staff are volunteers. Camp cost is subsidized by parent/adult volunteers. You, or any responsible adult over 18 that you designate, must volunteer for two days per registered Cub Scout or as directed by the Cub Camp Director. Some camps offer a volunteering opt-out plan to accommodate families that are willing to pay more to opt-out of volunteering. The spaces are limited to help us maintain our adult to child ratio of 1:4. Online registration is required for participation in the volunteering opt-out plan.

All parent/guardians must attend the orientation held prior to camp. If you have specific questions about these requirements, please contact the Camp Director of your preferred camp prior to registering.

Registration, both online and paper, requires all forms listed below.
See svmbc.org/cubcamp for forms and more information.
