(See back of packet for a copy of this form) including the ages of participants. Please make copies for each of your patrols/dens. Bring the completed form with you to the Camp-O-Ree. A list of Camp-O-Ree events will be provided prior to the event.

Check Out

Check out will be Sunday morning from 10:00 A.M. to 12:00 P.M. A short inspection must be completed before departure, so pack up early. When your unit is ready to leave, send your SPL to staff headquarters.

Camping

Each campsite should come with at least one table and a water source nearby. Please bring any extra tables, pop-ups, and chairs you may need. Latrine and handwashing facilities are available. Please note that if you wish to have a campfire then you must provide an elevated fire enclosure that is at least 18 inches above the ground.

Final campsite assignments will be made by the Camp-O-Ree committee prior to the event. This year, as in the past, troops and Webelos units will camp together. This is a learning experience for both the webelos and older Scouts!! troops, please feel free to invite your local webelos dens early.

Each unit must fill out a separate registration form.

Camp-O-Ree Trading Post

There will be a trading post at the event. Please bring extra money if you are interested in purchasing soda or candy from the trading post which will be run by Woakus Chapter.

Webelos

Webelos will be required to have correct number of adult to child ratio (as prescribed by BSA policy) to attend the Camp-O-Ree. During the events, they will be scored as a Webelos Den. After the events are completed they will be judged against other Webelos Dens in completion for the "WEBELOS CAMP-O-REE AWARDS".

Cars and Parking

To ensure the safety of the campers and staff, we have set a camp speed limit at **5 MPH**. The road is small and is crossed frequently by campers, so please use caution when driving through camp. We will have separate parking spaces for people staying the whole weekend, people with trailers, and those who are staying part of the weekend, or just dropping off. Plan on carrying gear, as vehicle access for troops is undetermined.

Restricted Areas

For your safety and the safety of others, the 2019 Camp-O-Ree Staff has deemed certain areas as "off limits." These areas will be marked with brightly colored tape. Please Stay out of these areas. In addition Staff hill is off limits to non-staff members.

Evacuation Plan

This is a general emergency evacuation plan. As it is impossible to plan for all contingencies, it is intended as a guide only. Circumstances will dictate the actual response to an emergency situation.

Who will make the decision to evacuate? :

1. Ken Schott- District Executive
2. Johnathan Evans - Woakus Chapter Adviser

We will plan to evacuate for any occurrence that might endanger the lives of the Camp-O-Ree attendees and/or staff, including, but not exclusively:

1. Fire
2. Major earthquake
3. Flooding

In the event an evacuation is called for, runners will be dispatched to notify the attendees to prepare to evacuate. **Any units in immediate danger will be relocated to a safe area pending evacuation.**

One or more **adult leaders** from each unit will meet with a staff member at the staff area to be briefed on the evacuation procedures. All actions will be based on the safety of everyone involved. Units in areas of immediate danger will be given priority for evacuation. Units in areas that are not in immediate danger are requested to remain in place until instructed to depart by the Camp-O-Ree staff. **If you are not in agreement with the prioritizing, please do not argue with the youth staff. Unless life is threatened, please bring your complaints to the Camp-O-Ree staff area where it will be addressed.**

Emergency Evacuation Procedures

In the event of an emergency evacuation, a camp assembly will be held at the flag meadow. When your unit arrives to the assembly grounds, the unit leader, or if the unit leader is not present, the tour leader for the unit is responsible for taking attendance of their unit. If any member of your unit is not in attendance, find a member of the 2019 Camp-O-Ree Staff immediately and report that a member of you unit is missing. At this point the staff will take matters into their own hands; do not go looking for the Scout yourself, for this only makes the situation worse. A member of the staff will come to your unit and instruct stating that all members have been evacuated. After the paper is signed, the unit is left to decide any other course of action. Lastly, the Camp-O-Ree chairman must sign that all the staff has been evacuated.
