

Prepared. For the Future

For the Silicon Valley Monterey Bay Council to continue to deliver the quality Scouting programs to our youth, three fundamental pillars must be sustained and increased: operating income, capital income and endowment income. Encouraging endowment gifts to our council is one of our highest priorities. It is one of the best ways to ensure that our council can continue to offer the outstanding programs it now has and also grow to meet the needs of the youth and communities we serve.

Recently we have embarked on a campaign to identify Scouters who have made arrangement (or intend to make arrangements) for Scouting in their estate plans.

We request your support and participation in this endeavor by completing the below questionnaire and returning it to Mark McHaddon. All responses will be kept confidential and only reported in the aggregate. Thank you for your support.
