Special events and Programs

June 1, 2025

Dear Scouting Families,

The Silicon Valley Monterey Bay Council proudly serves over 11,000 youth in nearly 350 Cub Scout Packs, Scouts BSA Troops, Venturing Crews, Sea Scout Ships, and Explorer Posts with many community chartered-partners. The success of the programs that impact so many youth are due to the dedication of more than 4,000 adult volunteers and involved parents. The Silicon Valley Monterey Bay Council supports the activities and health of all the unit programs through year-round activities, camps, training, and program support. This guide shares most of what we offer and will guide your unit in planning a great program for the youth involved.

Our District and Council committees strive to set these dates by June 1, to enable our Packs, Troops, Crews, Ships, and Posts to plan a unit calendar over the summer. While we will attempt to adhere as closely as possible to the calendar, some dates may be unavoidably rescheduled for a variety of reasons. In other cases we have elected to not pick a date for an event because the probability of the date changing is already high— we would rather omit it than you plan on a date that might change.

# What is the Silicon Valley Monterey Bay Council?

For more than 115 years, Scouting has built future leaders by combining educational activities and lifelong values, with fun and adventure in the outdoors. In central California, Scouting continues to impact families and our communities by serving more than 11,000 youth and their families in 4 counties: Santa Clara, Santa Cruz, San Benito, and Monterey.

The Silicon Valley Monterey Bay Council (SVMBC) is chartered by Scouting America to deliver the Scouting program throughout central California. Our Council is comprised of an Executive Board made of our area's top business and community leaders, a professional staff to provide support and more than 4,000 volunteers who donate their time and talent to deliver this life-changing program to our youth.

## What is a District?

The SVMBC is divided into 7 geographic Districts that serve the youth, families, and volunteers in that area. **Coyote Creek District** is east San Jose. **Pioneer District** is Santa Clara, Campbell, Los Gatos, Monte Sereno, Redwood Estates and Cambrian Park. **Polaris District** is Saratoga, Cupertino, and Sunnyvale. **Quicksilver District** is Gilroy, Morgan Hill and the San Jose neighborhoods of Willow Glen, Blossom Valley, Almaden Valley, and south San Jose. **San Benito District** is all of San Benito County. **Loma Prieta District** is all of Santa Cruz County. **Santa Lucia District** is all of Monterey County. Your District is supported by a volunteer District Committee Commissioners, District Executive, and Council staff that give leadership to your units on recruiting new Scouts, raising money to continue the Scouting program, training leaders, providing fun activities, and coaching volunteer leaders to give you the best Scouting experience.

## What is a Unit?

The word "unit" is a generic term to identify a Scout group. Scouts are organized into units depending on their age, or gender. Your unit belongs to a church, private school, civic group or some other group of people in your community (also known as a Chartering Organization).

Cub Scouts belong to units called Packs. Each Pack is divided into smaller groups called Dens. A Den is a group of six to eight Cub Scouts. All of the kids in your Den are in the same grade and may even go to the same school. Dens allow the kids to get to know each other and better engage in activities that would be difficult to accomplish in the larger Pack meetings.

Scouts BSA Scouts belong to a unit called a Troop. Inside the Troop, Scouts are divided into smaller groups called patrols. Empowering Scouts to be leaders is what Scouting is all about. The Scouts in the Troop develop their own program, run the meetings, and achieving their goals.

## **TIPS FOR PLANNING AN EXCELLENT SCOUTING PROGRAM IN YOUR UNIT**

### **Plan what to do**

- Select activities that will help accomplish your unit's goals and help youth complete advancement requirements.
- Get all the parents/youth together to brainstorm ideas.
- Use Scouting literature such as the ***Den and Pack Meeting Resource Guide*** or ***Troop Program Features***, youth books, and Roundtable resources.
- Bring personal calendars, school calendars, and your chartered organization's calendar to avoid double booking.
- Use this Program Planning Catalog for great local activities.
- Get ideas from the youth.
- Use the ***Guide to Safe Scouting*** (helps you plan what training is needed and which age appropriate activities are right for your group).
- Brainstorm on large paper or a white board so everyone can see how it all flows together.

### **Fund your Program**

- Determine all the expenses throughout the year (registration fees, *Scout Life* subscriptions, annual charter fee, unit equipment purchases, summer camp/day camp, Camporee, Pinewood Derby, monthly den, pack, patrol, troop activities, etc.).
- Identify sources of revenue to pay for the expenses (Council Popcorn Sale, activity participation fees, monthly dues, etc.).
- Share the budget with all the families.
- National budget templates are available for **Cub Scouting**, **Scouts BSA**, and **Venturing**.

### **Make it Happen**

- Ensure enough adults in your unit have the right training for the planned activities.
- Identify who has what responsibility.
- Publish the calendar and share it with every family.
- Make extras for welcoming new families.
- Put it in your personal calendar.
- Refer to the unit calendar at every committee meeting.
- Evaluate monthly so all your families receive the maximum benefit from Scouting.

## JOINING SCOUTING

When compared to the cost of sports and many other activities, there is no doubt that Scouting delivers great value to its members! The fees to join Scouting is \$85 annually, plus a \$24 insurance fee. In addition, there are uniform costs and nominal activity fees that may be charged by your local unit. Of course, these costs may be offset by unit fundraising and other available scholarship funds. Please contact your local unit leadership for details.

### Cub Scouts

Cub Scouting is the entry-level program for Scouting. It is designed for boys and girls in grades K-5. In Cub Scouts children join a den based on their grade. Each grade has an animal or totem related to it: Kindergarten are Lions, first graders are Tigers, second graders are Wolves, third graders are Bears, and fourth and fifth graders are Webelos.

Lions must be 5 years old by September 30 to participate.

### Scouts BSA

To join a troop, a boy or girl must be 11 years old, or have completed the fifth grade, or earned Arrow of Light and be at least 10 years old, but not yet be 18 years old.

### Venturing and Sea Scouts

Venturing is an inclusive program through for males and females aged 14-20. It's operated through Venturing Crews and Sea Scout Ships, units of youth and advisors that meet on set schedules and plan activities and events. Venturing is about pursuing hobbies. Sea Scouts is about learning boating.

### Exploring

Exploring posts serve older youth, males and females 14-20 years old. The program model is hands on and interactive character and career activities facilitated by trained business leaders in our local community. Exploring is about encountering potential careers.

## SCOUTING'S IMPACT

For over a century, Scouting has helped build the future leaders of this country by combining educational activities and lifelong values with fun. Scouting America believes — and, through over a century of experience, knows — that helping youth is a key to building a more conscientious, responsible, and productive society.

The Silicon Valley Monterey Bay Council currently serves 9,000 youth across the counties of Monterey, San Benito, Santa Clara and Santa Cruz.

### OUR EXPERIENCES

The Scouting experience is designed to give kids and young adults the skills they need to unlock their full potential. Our programs, from Cub Scouts to Exploring, offer all a safe place to learn, grow and explore a new world of adventure.

## HOW SCOUTS ADVANCE IN RANK

Rank advancement in Cub Scouting is not like rank advancement in Scouts BSA. And that's by design.

In Cub Scouting, advancement is grade- or age-based. Cub Scout ranks are a measure of a Scout's experience in Cub Scouting, and recognition that they've accomplished this year's objectives.

In Scouts BSA, though, Scouts hold the reins. They advance at their own pace — independent of grade, age or the progress of their fellow Scouts.

While there's a recommended speed at which ranks are completed, a Scout BSA member can advance at his or her own pace. The only real deadline: age 18, when a Scout is no longer a youth member of Scouting America

### Cub Scout Advancement

The first badge all Cub Scouts (except those in the [Lion program](#)) earn, regardless of age, is the Bobcat badge. After earning Bobcat, Cub Scouts work on advancement for their grade or age level.

- **Bobcat.** First requirement to be accomplished for all grade levels.
- **Tiger.** For boys or girls who have completed kindergarten or are 7 years old.
- **Wolf.** For boys or girls who have completed first grade or are 8 years old.
- **Bear.** For boys or girls who have completed second grade or are 9 years old.
- **Webeles.** For boys or girls who have completed third grade or are 10 years old.
- **Arrow of Light.** For boys or girls who have completed fourth grade.

Cub Scouts do not go back and work on ranks designed for earlier grade levels, even if missed because of their time of joining. Likewise, Cub Scouts do not move ahead to the next rank until the completion of the current school year.

The highest rank, Arrow of Light, is earned as the Cub Scout leaves Cub Scouting and enters a Scouts BSA troop.

### Scout BSA Advancement

Scouts BSA advancement isn't age- or grade-based. The Scout, with support and guidance from parents and Scout leaders, progresses at his or her own pace.

The *Scouts BSA Handbook* suggests that members earn the Scout rank "soon after joining." It goes on to say that earning Tenderfoot, Second Class and First Class should happen within the first 12 to 18 months of joining Scouts BSA.

At Star, Life and Eagle, Scouts tend to spread out a little bit. Some Scouts advance through those ranks quickly while others take their time. There's no right approach — every Scout is different.

Beginning at the Star rank, Scouting America adds time-based requirements:

**Star:** Active as a First Class Scout for at least four months; serve in a position of responsibility for at least four months.

**Life:** Active as a Star Scout for at least six months; serve in a position of responsibility for at least six months.

**Eagle:** Active as a Life Scout for at least six months; serve in a position of responsibility for at least six months.

## SCOUTBOOK

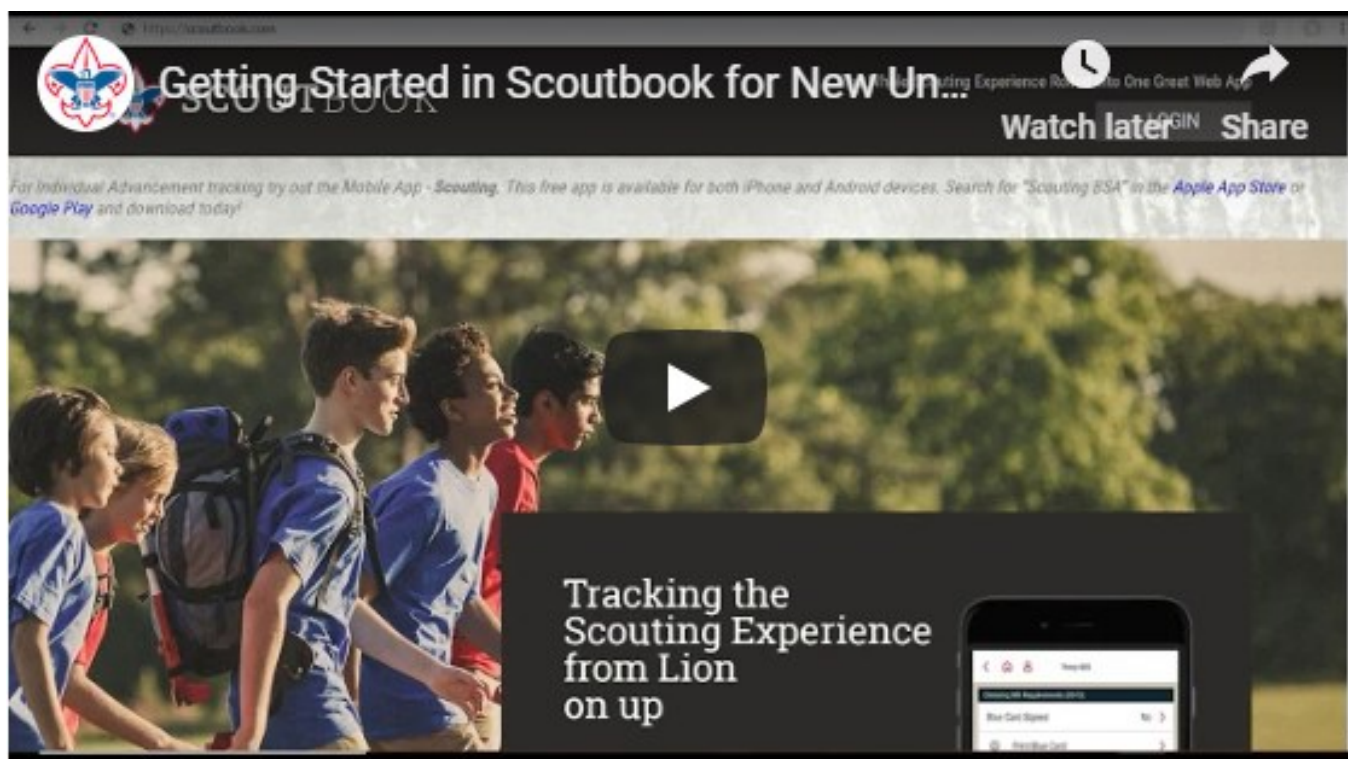

Scoutbook is Scouting America's online unit management tool and helps Scouts, parents and leaders track advancement and milestone achievements along the Scouting trail. Scout book is for Packs, Troops, Crews, and Ships.

As of January 1, 2025, Scoutbook subscriptions are free to all Scouting units.

### Some Advantages to Scoutbook:

1. You will have up to the minute visibility of your Scout's official Scouting America advancement record. You can view whenever you want. And the unit can make adjustments without contacting the council.
2. It automatically keeps the unit in compliance with Scouting America advancement reporting requirements.
3. When a Scout moves, their advancement record follows them.

If your unit has never used Scoutbook before, one of your Key 3 members, Key 3 Delegate, or Unit Advancement Chair, (these user roles are set in *my.scouting.org*) should login and setup permissions for the unit. The term "[Key 3](#)" is a Scouting America term, not a Scoutbook term. Key 3 refers to the team of the unit leader (Cubmaster, Scoutmaster, Crew Advisor or Ship Skipper), the unit Committee Chairman, and the Chartered Organization Representative.

## AGE-APPROPRIATE GUIDELINES FOR SCOUTING ACTIVITIES

Age- and rank-appropriate guidelines have been developed based on many factors. When planning activities outside of program materials or handbooks, ask this question: Is the activity appropriate for the age and for Scouting? Not every activity needs to be conducted.

**LIONS**  
(WITH ADULT PARTNER)

**TIGERS**  
(WITH ADULT PARTNER)

**WOLF/BEAR SCOUTS**

**WEBELOS SCOUTS**

**SCOUTS BSA**

**OLDER SCOUTS BSA, SEA SCOUTS, VENTURERS**

("Older Scouts BSA" are age 13 and have completed eighth grade or 14 years old and up.)

## **POPCORN SALES**

### **AUGUST-NOVEMBER**

Popcorn! Every year, Scouts hit the streets selling popcorn in front of grocery stores, in their neighborhood, and to friends and family. Scouts set popcorn goals to support their chosen activities for the year, to fund community service and leadership projects, to attend summer camp, or to travel to destinations near and far. 70% of sales support local Scouting (up to 35% directly to Scout units and Scouts). ## **FALL RECRUITMENT DRIVE**

## **FALL**

The fall is the best time to recruit new families into scouting! Families are looking for fun new exciting programs to join within the first 2-3 weeks that school begins. The Council is here to help you attract these new families to join your unit, bringing the Scouting program to more youth in your community and providing new adult volunteers for your unit. Unit commissioners and district membership teams will be reaching out to your unit leaders this summer to coordinate a neighborhood-based plan so that every youth and his family has an opportunity to join Scouting.

Tips for Success:

1. Meet with your unit commissioner and district executive over the summer to develop your unit's fall recruitment plan.
2. Recruit one or two unit or pack representatives to welcome new families into your unit.
3. Have your representatives attend the fall kick-off orientations in June to learn how to host and promote your recruitment event.
4. Spend time this summer with leaders and parents to plan your "Ideal Year of Scouting" so new and returning families know what excitement will be coming their way.
5. Keep your information up to date at <http://www.beascout.org>. The Committee Chair, Cubmaster/Scoutmaster/Advisor can update this information in [my.scouting.org](http://my.scouting.org).

**Online Registration:** Units are able to register their new Scouts and adults online! Get instant uploads to your unit's

## **UNIT CHARTER RENEWAL**

Every unit has a charter period of 12 months. If your unit is new (since Summer 2024) your renewal date is on the anniversary month of your initial registration. If your unit has been around longer you likely have a December registration deadline. Each unit's charter fee is \$100 and the unit renewal is done by a member of the unit's key three, and is done withing My.Scouting.org/ Organization Manager.

**COASTAL CLEANUP DAY****SEPTEMBER 20, 2025**

California Coastal Cleanup Day, an annual beach and inland waterway cleanup, is the state's largest volunteer event. State-wide, volunteers remove more than 1.2 million pounds of trash and recyclables from our beaches, lakes, and waterways annually. When combined with the International Coastal Cleanup organized by Ocean Conservancy and taking place on the same day, California Coastal Cleanup Day becomes part of one of the largest volunteer events in the world. Save the date and schedule your unit's participation along the beaches of our council. For more information, contact [Activities@svmbc.org](mailto:Activities@svmbc.org)

**GREAT SCOUT TRASH OUT****APRIL 25, 2026**

The Great Scout Trash out is a new project designed to show the world our commitment to being clean and making a positive impact in our community. In celebration of Earth Day this service project invites all Scouting families to join us in picking up trash in local communities.

For more information, contact [Activities@svmbc.org](mailto:Activities@svmbc.org)

**SCOUT-O-RAMA****MAY 9, 2026**

The largest Scouting event of the year with over 5,000 participants is traditionally held on the Saturday before Mother's Day at History Park in San Jose. This excellent showcase of Scouting is open to the public and shows off much of what Scouting has to offer. Our best packs, troops, crews, ships, labs, and posts host a "booth" where they showcase their awesome program with hands-on, fun activities and demonstrations for Scouting families to enjoy. Visit for the day, or better, participate with a booth. Some of the activities include:

- Opening parade of hundreds of Scout flags
- Archery & BB Guns
- Crafts and games
- STEM science projects
- Cooking demonstrations
- Water Rockets—build your own and shoot it up!
- Monkey Bridges & other Pioneering projects
- Scout skill and Explorer demonstrations

**CUB SCOUT DAY CAMPS****JUNE-AUG**

Day Camp is truly the best part of a Cub Scout's summer. Day Camp is a five-day experience for Wolf, Bear, and Webelos Cub Scouts (children who are entering grades 2 – 5 in the Fall). Some camps also have a Tiger Cub programs. Each camp offers a variety of activities, such as crafts, games, archery, BB guns, sports, and Scout skills. They also offer Cub Scouts opportunities to earn adventure loops and pins that they can only earn during an organized camp. Camps typically run from 9 AM to 4 PM. Parent involvement is a key component to these programs and each camp requires some adult involvement. The camps are located throughout the four counties of the council.

Check out details at: <http://svmbc.org/svmbc/activities/cub-scout-day-camp/>

In 2026, this annual event will be held in Santa Cruz. We are still confirming date and venue. At the event, we will recognize Eagle Scouts, top Venturing awards, and Silver Beaver recipients with a reception, dinner, keynote speaker, and awards ceremony. The Silver Beaver award is the highest recognition for volunteer service at the council level and the Eagle Scout award is the highest a young person can earn in the Scouting program and a true mark of a leader. The Annual Dinner is our opportunity to thank and recognize our Scouting volunteers for their dedicated service to our programs.

**UNIVERSITY OF SCOUTING****March 7, 2026**

Each year, the council conducts the "University of Scouting," starting with registration at 8 AM, welcoming words at 8:30, and then a series of 50-minute sessions on special interest topics. For those with Cub Scout-aged youth, you'll find suggestions on where to take the Cub Scouts on field trips, how to conduct derbies (rocket, pinewood, regatta), magic to spice up meetings and ceremonies, and so much more. Similarly, for Scouts BSA leaders and parents, your advancement chair will find information on Internet advancement, the Trail to Eagle, ideas for service projects; Camping chairs will get "where to go," backpacking, snow camping, and hints on the latest gear and gadgets to make camping fun.
