The presentations and fun activities involving leadership skills are run by the well-trained staff and use the outdoors to help reinforce the skills Scouts learn and keep for life.

WHAT HAPPENS AT NYLT?

During the first day of NYLT, participants are put into patrols with a staff member as their Troop Guide. All week long, you'll be doing epic activities together and unlocking new skills with your patrol! You'll be building bonds and making forever friends.

Patrols rotate responsibilities such as learning to lead the flag ceremony or building a mind-blowing presentation. You'll be working side-by-side with your friends to make things happen, and you'll learn how important it is to be a super-strong team.

Patrol Members play awesome games that are secretly building your super-leader skills! You'll tackle challenges that need teamwork, trust, and communication. Along the way, you'll figure out *why* these skills are so important and how to use them to become the best leader you can be!

Wake up, get ready to shout and sing! We kick off every awesome morning at NYLT with fun songs at flags. This camp isn't just about learning how to be a leader; it's about learning how to have the most fun while you do it. Get ready for training packed with crazy fun activities and an amazing staff.
